

Benefits

1 on 1 connections

Emergenetics + provides specific, clear communication tips unique to each person you speak with. Whether you're talking to a friend, co-worker, or significant other, this helps to eliminate personality conflicts and allows everyone to speak in a common language.

Team innovation and collaboration

Create clear reports for teams and groups that highlight cognitive preferences and behavioral tendencies to showcase how groups work together.

Communication effectiveness

Know exactly how to communicate with others through customized tips and considerations.

Self awareness

Your Emergenetics Profile shows where your natural strengths and tendencies lie and indicates where you might struggle and where others could help you.

Explore connections effortlessly

Search for people inside and outside of your organization who can amplify the existing strengths of any group and work in complementary and efficient ways.

A New Experience

Emergenetics+ allows you to do things that you have never been able to do before.

Use Emergenetics in the moment with custom-tailored content.

Connect on the things that drive you most.

Access key insights, instantly.

Share Your Profile with others.
